ORDER OF AFFIRMANCE

This is a proper person appeal from a district court order dismissing an inmate litigation action as frivolous. Seventh Judicial District Court, White Pine County; Dan L. Papez, Judge.

On appeal, appellant L. Seville Parks requests that this court appoint an attorney, at state expense, to investigate alleged violations of prison regulations. Because there is no right to the appointment of counsel in civil cases not involving incarceration for contempt, see Rodriguez v. Dist. Ct., 120 Nev. 798, 813, 102 P.3d 41, 51 (2004), and as Parks has failed to demonstrate any reversible error by the district court, we

ORDER the judgment of the district court AFFIRMED.
