DEPUTY CLERK

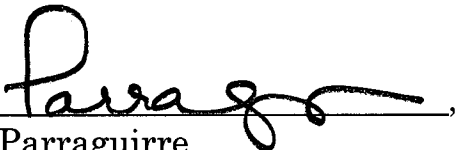

ORDER DENYING PETITION

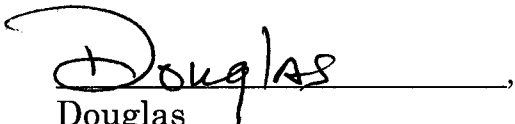

This is a proper person petition for extraordinary relief labeled “motion for judicial review [of] habeas corpus petition.” Petitioner asserts that he filed a petition for a writ of habeas corpus in the district court in February 2009 challenging the computation of time served. Petitioner appears to assert that he has not received a final decision on the petition. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims, we decline to exercise original jurisdiction in this matter. We are confident that the district court will

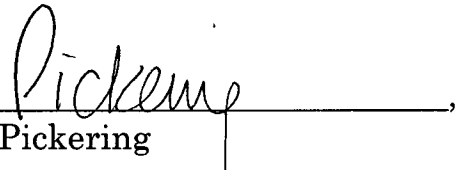

resolve all matters as expeditiously as the court's calendar permits.

Accordingly, we

ORDER the petition DENIED.
