ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus or prohibition in which petitioner seeks an order from this court compelling the district court to render a final order in the matter of a petition for a writ of habeas corpus filed in the district court and to file various documents submitted to the district court.

We have reviewed the documents on file with this court, and we conclude that our intervention by extraordinary writ is not warranted. NRS 34.160; NRS 34.320. Accordingly, we deny this petition.

It is so ORDERED.<sup>1</sup>
