ORDER DENYING PETITION

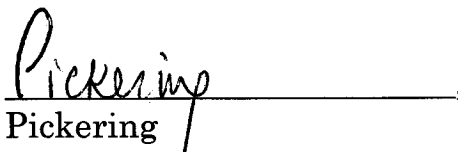

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing the district court to: order counsel to gather and send all records, order the district attorney to comply with requests for evidence and information, order the clerk's office to copy the entire record on appeal and send it to petitioner, and order counsel to withdraw from the case. Petitioner also seeks referral of the district court and the attorneys involved for alleged violations of professional conduct. Finally, petitioner seeks an order tolling the time for filing post-conviction matters pending receipt of the documents. We have reviewed the documents submitted in this matter, and without deciding upon the merits

of any claims, we decline to exercise original jurisdiction in this matter.
