ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing the district court to rule and/or grant his motion to strike the State's return filed in the district court because the return contained two documents bearing petitioner's social security number. Petitioner argues that NRS 239B.030, provisions relating to personal information in documents filed with governmental agencies, requires the district court to strike the return. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims, we decline to exercise original jurisdiction in this matter. NRS 34.160; NRS 34.170. We are confident that the district court will

resolve all pending matters as expeditiously as the court's calendar permits. Accordingly, we

ORDER the petition DENIED.
