ORDER DISMISSING APPEAL

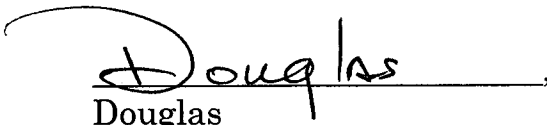

This is a proper person appeal from a purported decision of the district court. Eighth Judicial District Court, Clark County; Donald M. Mosley, Judge.

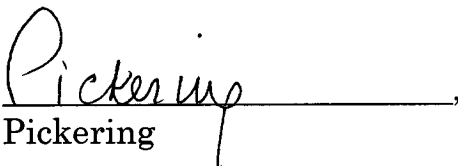

On August 20, 2009, appellant filed a proper person notice of appeal from a purported decision of the district court entered on August 18, 2009. However, a review of the documents before this court indicates that the district court did not make a decision, oral or written, on any pending document on August 18, 2009. To the extent that appellant sought to appeal from the denial of his motion for equitable tolling, the district court had not yet reached a decision on the motion when appellant

filed his notice of appeal. Accordingly, because appellant failed to designate an appealable order, we

ORDER this appeal DISMISSED.¹
