ORDER DENYING PETITION

This petition for a writ of mandamus or prohibition challenges an order of the district court denying the state's motion to continue the trial of the real party in interest.

We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time. Accordingly, we deny the petition. See NRS 34.160; NRS 34.320.

Further, we deny petitioner's motion for an emergency stay.

It is so ORDERED.
