ORDER DISMISSING APPEAL

This proper person appeal challenges an order of the district court affirming and adopting the master's findings and recommendations concerning child support. Having reviewed the record on appeal, we conclude that the district court did not abuse its discretion. See NRS 125B.070(1)(b) (setting child support for one child at eighteen percent of an obligor's gross monthly income subject to a cap of \$500.00 per month per child); NRS 125B.080(4) (providing that the minimum amount of child support that the court may award is \$100.00 per month per child); Wallace v. Wallace, 112 Nev. 1015, 922 P.2d 541 (1996) (noting that matters of child support are within the discretion of the district court); Whitman v. Whitman, 108 Nev. 949, 840 P.2d 1232 (1992) (noting that the clerk of the district court has no duty to file documents before appellant pays the required filing fee or is relieved of the duty to pay the filing fee by order of the district court). Accordingly, we

ORDER this appeal dismissed.
