CLERK OF COURT

ORDER DISMISSING APPEAL

On November 16, 2000, the parties filed a stipulated motion to dismiss this appeal. As the stipulation was dated April 25, 2000, on November 21, 2000, this court entered an order directing appellant to inform this court whether he desired this court to approve the stipulation and dismiss this appeal. On December 8, 2000, appellant filed a letter responding to this court's November 21, 2000, order. Appellant states that "[h]e has no objection to the dismissal of the appeal in the above case so long as it also includes the dismissal of the lower court action and judgment." A review of the district court records indicates that the district court formally dismissed the lower court action and judgment on

December 7, 2000.<sup>1</sup> Accordingly, pursuant to stipulation of the parties filed November 16, 2000, and appellant's response filed December 8, 2000, this appeal is dismissed.

It is so ORDERED.
