ORDER DISMISSING APPEAL

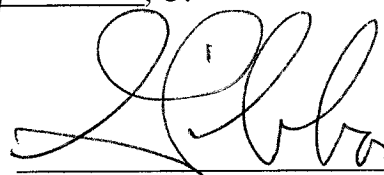

This is an appeal from a district court judgment on a jury verdict and an order denying a motion for a new trial in a tort action. Eighth Judicial District Court, Clark County; Valerie Adair, Judge.

On June 10, 2010, we entered an order granting appellant's attorney's motion to withdraw as appellant's counsel. In that order we directed appellant's counsel to attempt service upon appellant, based on appellant's failure to communicate with counsel or this court or provide a recent address or other contact information to her counsel or this court. Appellant's former counsel provided an affidavit detailing his attempts to serve appellant. Also in the June 10 order, we directed appellant to notify this court within 30 days if she intended to proceed with her appeal. Appellant has failed to respond to our June 10 order. Accordingly, we conclude that appellant has abandoned this appeal and we

ORDER this appeal DISMISSED.
