ORDER OF AFFIRMANCE

This is a proper person appeal from an order of the district court denying appellant's motion for return of seized property.¹ Second Judicial District Court, Washoe County; Connie J. Steinheimer, Judge.

In denying appellant's motion, the district court noted that appellant's property was forfeited after proper notice was given and judgment was entered in district court case number CV98-05573. Having reviewed the record on appeal, we conclude that substantial evidence supports the decision of the district court to deny relief and that the district court did not err as a matter of law. See NRS 179.085; Riley v. State, 110 Nev. 638, 647, 878 P.2d 272, 278 (1994). Accordingly, we

ORDER the judgment of the district court AFFIRMED.

¹This appeal has been submitted for decision without oral argument, NRAP 34(f)(3), and we conclude that the record is sufficient for our review and briefing is unwarranted. See Lockett v. Warden, 91 Nev. 681, 682, 541 P.2d 910, 911 (1975).
