BY   
DEPUTY CLERK

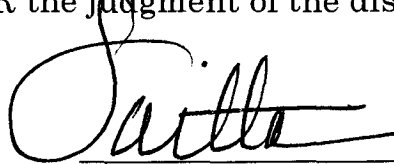

ORDER OF AFFIRMANCE

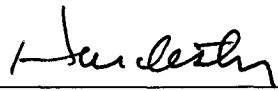

This is a proper person appeal from a district court order striking all motions and pleadings filed by appellant after appellant voluntarily dismissed his tort action against respondents. Second Judicial District Court, Washoe County; Steven P. Elliott, Judge.

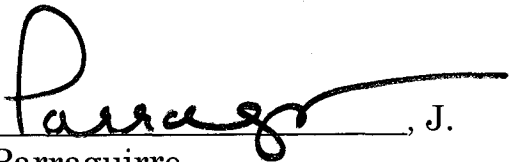

Once a plaintiff files a notice of voluntary dismissal under NRCP 41(a)(1), the district court no longer has jurisdiction over the action. Harvey L. Lerer, Inc. v. District Court, 111 Nev. 1165, 901 P.2d 643

(1995). Thus, the district court properly struck appellant's post-dismissal motions and pleadings. Accordingly, we

ORDER the judgment of the district court AFFIRMED.<sup>1</sup>

<sup>1</sup>In light of this order, we deny as moot appellant's motions (1) to correct his proper person appeal statement in which he erroneously described one of his underlying claims as "professional negligence" instead of "negligence," (2) to compel the prison in which he is incarcerated to return medical exhibits to him, and (3) to strike respondent's response to appellant's motion to compel.
