ORDER DISMISSING APPEAL

This is an appeal from two interlocutory district court orders determining the validity of the parties' marriage and denying NRCP 60(b) relief in an action for divorce. Eighth Judicial District Court, Family Court Division, Clark County; Bryce C. Duckworth, Judge.

After reviewing appellant's response to our show cause order, as well as respondent's reply, we conclude that we lack jurisdiction over this appeal. Since the 2004 amendment to NRCP 54, effective January 1, 2005, orders that remove claims are no longer amenable to certification. Accordingly, the NRCP 54(b) certification here was improper, and as no final judgment has been entered, we

ORDER this appeal DISMISSED.
