ORDER DISMISSING APPEAL AS ABANDONED

This court previously granted a motion to withdraw as attorney of record for appellants. In that order, we directed appellants to retain new counsel or inform this court if they would not be retaining counsel. Copies of that order that were mailed to appellants were returned by the United States Postal Service (“USPS”) and marked as “Not Deliverable as Addressed-Unable to Forward.”

On July 30, 2010, this court entered an order noting the return of the copies of the previous order. That order directed the clerk of this court to mail additional copies of the order to what may have been an additional mailing address for appellants. Those copies have also been returned by the USPS.

As appellants have not provided this court or previous counsel with current contact information, it appears they have

abandoned this appeal. Accordingly, we dismiss this appeal as abandoned.

It is so ORDERED.
