ORDER RESOLVING MOTIONS AND DISMISSING APPEAL

This is an appeal from a district court post-decree order appointing a receiver in aid of collection of a judgment. Eighth Judicial District Court, Clark County; Doug Smith, Judge.

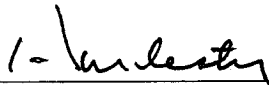

On June 21, 2010, respondent filed a motion to strike appellant's opening brief and to dismiss this appeal on the basis that appellant's opening brief fails to comply with our appellate rules of procedure and appellant failed to submit an appendix with his opening brief. On July 22, 2010, appellant moved this court for an extension of time to respond to respondent's motion to strike. Attached to the motion are proposed Exhibits A and B and a request that the exhibits replace the appendix that was previously submitted to this court on July 15, 2010. We grant the motion for an extension of time but deny the request to file the proposed exhibits. The clerk of this court shall file appellant's response, provisionally received on July 19, 2010, and return, unfiled, appellant's July 15, 2010, appendix and strike the July 22 exhibits.

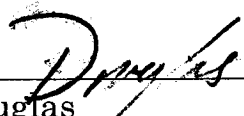

On July 20, 2010, respondent submitted for filing a reply to the motion to strike and moved this court for an extension of time to file an answering brief. We grant the motion to file the reply and direct the clerk to file respondent's reply, which was provisionally received on July 20, 2010. In light of this order, we direct the clerk to return, unfiled,

respondent's motion for an extension of time to file an answering brief, provisionally received on July 20, 2010.

Having considered the parties' arguments, we grant respondent's motion to strike. Accordingly, we direct the clerk of this court to strike the opening brief filed on June 15, 2010, and we hereby dismiss this appeal.

It is so ORDERED.
