ORDER DENYING PETITION

This petition for a writ of mandamus or prohibition challenges a district court finding that petitioner is competent to stand trial, arguing that the ruling is clearly erroneous considering his history of delusions that have left him unable to assist counsel and therefore incompetent to stand trial under Dusky v. United States, 362 U.S. 402 (1960). We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary writ is warranted at this time. Accordingly, we deny the petition. See NRAP 21(b).

It is so ORDERED.
