ORDER DENYING PETITION

This original petition for a writ of mandamus challenges a district court ruling denying a pretrial petition for a writ of habeas corpus in which petitioner argued, among other things, that the indictment was insufficient as it pleaded only conclusory allegations regarding an element of felony DUI. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary writ is warranted at this time. Accordingly, we deny the petition. See NRAP 21(b).

It is so ORDERED.
