CLERK OF SUPREME COURT
BY *J. R. Rude*
CHIEF DEPUTY CLERK

ORDER OF AFFIRMANCE

This is a proper person appeal from a judgment entered on a jury verdict that appellant take nothing in her suit against respondents. Appellant alleged that respondents had induced her to leave the slot machine she was playing and promised to keep it closed and locked until she returned, but had opened it before she returned and allowed another player to win "her" \$97,823 jackpot. We have reviewed the record before us, and we perceive no grounds for reversal. Accordingly, we conclude that the district court did not err by entering judgment on the jury's verdict and we

ORDER the judgment of the district court AFFIRMED.
