ORDER OF AFFIRMANCE

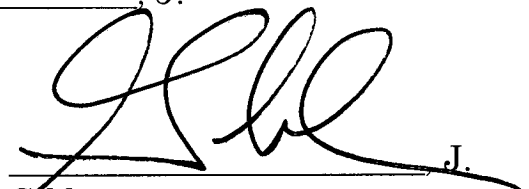

This is an appeal from a judgment of conviction, pursuant to a guilty plea, of robbery with the use of a firearm. Second Judicial District Court, Washoe County; Janet J. Berry, Judge.

Appellant William Dean Boney contends that the district court erred by denying his motion to suppress or dismiss based on an impermissibly suggestive photographic lineup used to identify him as one of the robbers. Boney waived his right to challenge the district court's denial of his motion by entering a guilty plea and there is no indication in the record that he expressly preserved this issue for review on appeal. See NRS 174.035(3); Webb v. State, 91 Nev. 469, 470, 538 P.2d 164, 165 (1975) (the entry of a guilty plea generally waives any right to appeal from events occurring prior to the entry of the plea). Accordingly, we

ORDER the judgment of conviction AFFIRMED.
