ORDER OF AFFIRMANCE

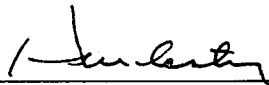

This is a proper person appeal from an order of the district court denying a motion to modify or correct sentence.¹ Eighth Judicial District Court, Clark County; David Wall, Judge.

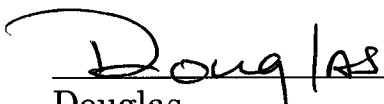

In his motion filed on March 18, 2010, appellant sought a reduction in sentence. Appellant claimed that he was punished for his associates, and appellant noted his positive programming and work history. Appellant failed to demonstrate that the district court relied on mistaken assumptions regarding his criminal record that worked to his extreme detriment. See Edwards v. State, 112 Nev. 704, 708, 918 P.2d 321, 324 (1996). Appellant failed to demonstrate that his sentence was illegal or that the district court was without jurisdiction. See id. We

¹This appeal has been submitted for decision without oral argument, NRAP 34(f)(3), and we conclude that the record is sufficient for our review and briefing is unwarranted. See Luckett v. Warden, 91 Nev. 681, 682, 541 P.2d 910, 911 (1975).

therefore conclude that the district court did not err in denying appellant's motion. Accordingly, we

ORDER the judgment of the district court AFFIRMED.
