ORDER DENYING PETITION

This is an original proper person petition for a writ of habeas corpus. Petitioner appears to be challenging the validity of his judgment of conviction and sentence. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims, we decline to exercise original jurisdiction in this matter. A challenge to the validity of the judgment of conviction and sentence must be raised in a post-conviction petition for a writ of habeas corpus in the district court in the first instance.<sup>1</sup> NRS 34.724(2)(b); NRS 34.738(1). Accordingly, we

ORDER the petition DENIED.
