ORDER DISMISSING APPEAL

This is a proper person appeal from an order of the district court denying a post-conviction petition for a writ of habeas corpus. Eighth Judicial District Court, Clark County; Michael Villani, Judge.

Appellant filed his petition on May 29, 2009, and the district court denied the petition in a written order filed on March 29, 2010. Our review of the record reveals that the district court's order denying this petition was already considered and affirmed in Ransey v. State, Docket No. 54632 (Order of Affirmance, May 10, 2010). Because appellant already appealed the denial of the May 29, 2009, petition and appellant failed to designate another appealable order, NRAP 3(c), we

ORDER this appeal DISMISSED.<sup>1</sup>

<sup>1</sup>We have reviewed all documents that appellant has submitted in proper person to the clerk of this court in this matter, and we conclude that no relief based upon those submissions is warranted. To the extent that appellant has attempted to present claims or facts in those submissions which were not previously presented in the proceedings below, we have declined to consider them in the first instance.
