ORDER DENYING PETITION FOR WRIT OF MANDAMUS

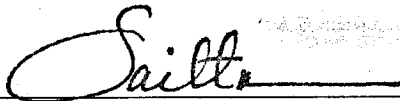

This original petition for a writ of mandamus seeks to disqualify opposing counsel. Having reviewed the petition and its attachments, we are not persuaded that our intervention by way of extraordinary relief is warranted. NRAP 21(b)(1); Smith v. District Court, 107 Nev. 674, 818 P.2d 849 (1991). In particular, petitioners have not demonstrated that the district court manifestly abused its discretion in concluding that disqualification was not appropriate when the record available to this court indicates that no confidential information was jeopardized by counsel's representation. See Nevada Yellow Cab Corp. v. Dist. Ct., 123 Nev. 44, 53-54, 152 P.3d 737, 743 (2007) (reviewing district

court's disqualification decision for manifest abuse of discretion and noting purpose of disqualification as protection of confidential information).

Accordingly, we

ORDER the petition DENIED.
