DEPUTY CLERK

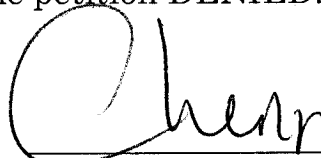

ORDER DENYING PETITION FOR REVIEW OF RULES

This original proper person writ petition asks this court to review its rules regarding representation of business entities by nonlawyers, asserting constitutional objections to this court's current policies and rules. Petitioners' request is based on this court's dismissal of their corporation's appeal in Docket No. 52912, after the corporation's counsel withdrew.

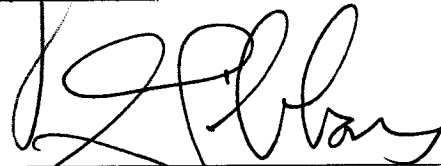

Petitioners have a plain, speedy, and adequate legal remedy, in the form of a rehearing petition in Docket No. 52912, in which to assert their arguments regarding the basis for dismissal of that appeal. See NRS 34.020, NRS 34.160, and NRS 34.220 (all requiring, as a prerequisite to various forms of writ relief, that petitioner have no plain, speedy, and

adequate remedy at law); NRAP 40 (setting forth procedure for seeking rehearing). Accordingly, we

ORDER the petition DENIED.¹
