ORDER OF AFFIRMANCE

This is an appeal from a district court order denying a motion for a new trial in a death penalty case. Eighth Judicial District Court, Clark County; Stefany Miley, Judge.

Appellant Antoine Williams claims that the district court erred when it dismissed his second motion for a new trial. In our order affirming the dismissal of his first new trial motion, we stated that his motion, filed over 10 years after his conviction became final, was untimely. Williams v. State, Docket No. 54027 (Order of Affirmance, April 8, 2010). His second motion is also untimely, see NRS 176.515(4) (stating that motion for new trial based on grounds other than newly-discovered evidence must be filed or addressed by the trial court within seven days after verdict), and we therefore conclude that the district court did not err in dismissing it.

Accordingly, we

ORDER the judgment of the district court AFFIRMED.
