ORDER DENYING WRIT PETITION

This original proper person writ petition seeks to compel the district court to rule on allegedly pending motions. In violation of NRAP 21(a), the petition includes no supporting documentation, such as copies of the complaint or the motions that petitioner alleges are ripe for decision. Without this documentation, we are unable to evaluate the writ petition. We are therefore not persuaded the extraordinary relief is warranted. NRAP 21(b)(1); Pan v. Dist. Ct., 120 Nev. 222, 88 P.3d 840 (2004); Smith v. District Court, 107 Nev. 674, 818 P.2d 849 (1991). Accordingly, we

ORDER the petition DENIED.
