ORDER DENYING PETITION

This original petition for a writ of mandamus or prohibition challenges an order of the district court revoking petitioner's bail, remanding petitioner to custody, and denying a motion to withdraw a guilty plea. Having reviewed the petition and the state's response, we have concluded that this court's intervention by way of extraordinary writ is not warranted at this time. Accordingly, we deny the petition. Further, we deny petitioner's motion for a stay of the January 10, 2000, sentencing date.

It is so ORDERED.
