ORDER DISMISSING APPEAL

This is an appeal from a district court divorce decree. Eighth Judicial District Court, Family Court Division, Clark County; Frank P. Sullivan, Judge.

When our consideration of the NRAP 3(g) documents filed in this court revealed a potential jurisdictional defect, we ordered appellant to show cause, within 20 days from our May 22, 2012, order, why this appeal should not be dismissed for lack of jurisdiction. Specifically, we pointed out that it appeared that the appeal was prematurely filed after the timely filing of an NRCP 52(b) and NRCP 59 tolling motion and before all of the issues raised in the tolling motion were formally resolved by written order. NRAP 4(a)(4) and (6).

To date, appellant has failed to respond to our show cause order. Accordingly, as appellant has failed to demonstrate jurisdiction, we conclude that it is lacking, and we

ORDER this appeal DISMISSED.
