ORDER DISMISSING APPEAL

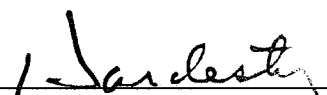

This is an appeal from a district court order granting respondent's motion for summary judgment. Eighth Judicial District Court, Clark County; Michelle Leavitt, Judge.

On March 25, 2011, we entered an order granting appellant's counsel's motion to withdraw and directing appellant to retain new counsel within 30 days. We cautioned appellant that failure to retain new counsel would result in the dismissal of this appeal. On April 29, 2011, respondent filed a motion to dismiss this appeal because appellant had not retained and caused new counsel to appear in this court. To date, appellant has not responded to our March 25, 2011, order, opposed the motion to dismiss, or otherwise communicated with this court. We

conclude that appellant has abandoned this appeal. Therefore, we grant respondent's motion, and we

ORDER this appeal DISMISSED.
