ORDER DISMISSING APPEAL

This is a proper person appeal docketed in this court on November 19, 2010, without the requisite filing fee. On that same day, this court issued a notice directing appellant to pay the filing fee or this matter would be dismissed. In response, appellant filed a motion to proceed on appeal in forma pauperis. On November 26, 2012, this court entered an order directing appellant to file his request in the district court and to file a copy of that request in this court within 30 days. To date, appellant has not responded to this court's order or paid the filing fee. It appears this appeal has been abandoned, and cause appearing, this appeal is dismissed.¹

It is so ORDERED.

¹ On November 22, 2010, appellant submitted a "civil proper person appeal statement," and a "proper person motion for stay form for parties without attorneys." It has been determined that no relief based upon those submissions is warranted.
