ORDER DENYING PETITION

This original petition for a writ of mandamus or prohibition challenges an order of the district court reversing a justice court's order striking an expert witness's testimony. We have considered the petition and the documents submitted, and we are not satisfied that this court's intervention by way of extraordinary writ is warranted.<sup>1</sup> Accordingly, we deny the petition. See NRAP 21(b).

It is so ORDERED.

<sup>1</sup>We note that petitioner failed to include documentation—for example, the expert witness's testimony before the justice court—that would have assisted this court's review of the petition.
