ORDER DENYING PETITION

This is a proper person petition for a writ of extraordinary relief. Petitioner claims the State has improperly detained him and his right to a speedy trial has been violated. He also asserts that the district court will not consider his proper person documents. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. We note that petitioner is represented by counsel and should proceed by and through counsel. Accordingly, we

ORDER the petition DENIED.
