ORDER DENYING PETITIONS

Docket No. 57883 is a proper person petition for extraordinary relief in which petitioner challenges the performance of his appellate counsel in what is presumably another case pending before this court. Docket No. 58102 is a proper person petition for a writ of mandamus in which petitioner seeks an order requiring Judge Glass to respond to a proper person post-conviction petition for a writ of habeas corpus allegedly pending before her. We have considered the petitions submitted in these matters, and without deciding upon the merits of any claims raised therein, we are not satisfied that this court's intervention by way of

extraordinary relief is warranted. NRS 34.160; NRS 34.170. We are confident that the district court will resolve any pending matters as expeditiously as its calendar permits. Accordingly, we
