DEPUTY CLERK

ORDER DISMISSING APPEAL

This appeal was initiated by the filing of a proper person notice of appeal. Eighth Judicial District Court, Clark County; Abbi Silver, Judge.

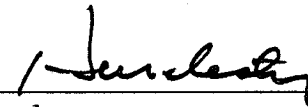

Appellant filed a notice of appeal on March 21, 2011, designating the purported denial of an amended post-conviction petition for a writ of habeas corpus. Appellant indicated the petition was denied at a hearing on January 11, 2011. The district court entered a written order on June 22, 2011, indicating that the hearing date on January 11, 2011 was set in error and that no petition was denied on that date. The district court indicated that the August 11, 2010 post-conviction petition for a writ of habeas corpus had been denied previous to this hearing date and appealed to this court.

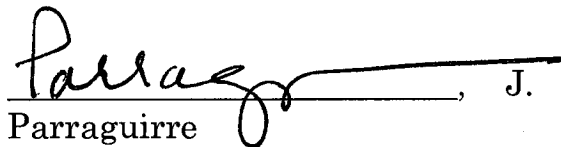

Appellant has failed to designate an appealable order. The district court's written order indicates that no decision was made on a petition on January 11, 2011. The August 11, 2010 petition was denied by the district court, appealed to this court, and this court affirmed the order of the district court on appeal. Davis v. State, Docket No. 57459 (Order of Affirmance, June 8, 2011). Appellant may not file a second appeal from

the decision to deny his August 11, 2010 petition. Because an appealable order was not designated, we

ORDER this appeal DISMISSED.¹
