ORDER DISMISSING APPEAL

This is an appeal from an order of the district court denying appellant's motion to correct an illegal sentence. The district court entered the order on September 30, 1999. Appellant filed his notice of appeal on December 13, 1999, well after the thirty-day time limit imposed by NRAP 4(b). On January 4, 2000, this court ordered appellant to show cause why this appeal should not be dismissed as for lack of jurisdiction. On January 27, 2000, appellant's counsel filed a response, conceding that the appeal was untimely and that dismissal for lack of jurisdiction is warranted. Cause appearing, we

ORDER this appeal dismissed.
