CLERK OF SUPREME COURT  
BY   
DEPUTY CLERK

ORDER DENYING PETITION

This is a proper person petition for relief entitled “notice of habeas corpus appeal in accordance to NRS 34.575.” We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. It appears that petitioner may be attempting to appeal the district court’s denial of his “motion for release under N.R.C.P. 60(B)(4), defendant’s failed to state claim under habeas proceedings, court has no jurisdiction, and petitioner endured constitutional due process of law violations and deprivation.” Because it appears that petitioner was attempting to appeal the denial of the motion below, we direct the clerk of this court to transfer the “notice of habeas

corpus appeal” to the district court to file as a notice of appeal. See generally NRAP 4(e). Accordingly, we

ORDER the petition DENIED.
