ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus, or in the alternative, writ of prohibition. Petitioner challenges the service of notice of the grand jury proceedings. We have reviewed the documents submitted in this matter and we conclude that the petition lacks merit. Appellant failed to demonstrate that the notice was improperly served, see EDCR 7.26, or that the notice was inadequate. NRS 172.241. Accordingly, we

ORDER the petition DENIED.
