ORDER DISMISSING APPEAL

This is an appeal from a district court order denying appellant's motion to withdraw the guilty plea and judgment of conviction and petition for a writ of habeas corpus. Eighth Judicial District Court, Clark County; Kenneth C. Cory, Judge; Eighth Judicial District Court, Clark County; Carolyn Ellsworth, Judge.

On July 13, 2012, appellant filed a motion to voluntarily withdraw this appeal. Because the motion was based on an expectation that the district court was going to grant his second motion to withdraw the guilty plea and enter an amended judgment of conviction, we deferred ruling on the motion to withdraw the appeal until after the district court resolved the motion to withdraw the guilty plea.

The district court granted the motion to withdraw the guilty plea and has entered an amended judgment of conviction. Because appellant has obtained the relief anticipated in the motion to voluntarily withdraw this appeal and because counsel represented that the entry of

the amended judgment of conviction would render this appeal moot, we grant the motion to voluntarily withdraw this appeal, and we

ORDER this appeal DISMISSED.
