ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order compelling the district court to consider his post-conviction petition for a writ of habeas corpus. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. See NRS 34.160. We are confident that the district court will

resolve all pending matters as expeditiously as its calendar permits.¹

Accordingly, we

ORDER the petition DENIED.
