ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order compelling the district court to comply with the dictates of this court's order in Garcia-Borja v. State, Docket No. 52386 (Order of Reversal and Remand, October 7, 2009). We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. We are confident that the district court will resolve all pending matters as expeditiously as its calendar permits. Further, as it appears that petitioner is represented by counsel in the district court, appellant should proceed by and through his counsel. Accordingly, we

ORDER the petition DENIED.
