ORDER DENYING PETITION

This is a proper person petition for a writ of extraordinary relief. Petitioner appears to request that this court grant his motion to correct an illegal sentence filed in the district court because the State never filed a response. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. We are confident that the district court will resolve all pending matters as expeditiously as its calendar permits. Accordingly, we

ORDER the petition DENIED.
