ORDER DENYING PETITION

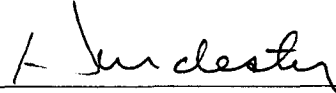

This original emergency petition for a writ of mandamus challenges a district court order refusing to grant a trial continuance until after an opinion on similar issues is issued by this court. Our opinion in Williams v. District Court, 127 Nev. ___, ___ P.3d ___ (Adv. Op. No. 45, July 28, 2011), was issued earlier today, resolving those issues. We

therefore conclude that this petition is moot and dismiss it. Personhood Nevada v. Bristol, 126 Nev. ___, 245 P.3d 572 (2010).

It is so ORDERED.¹

¹We deny as moot real parties in interest's July 25, 2011, motion to file an over-length brief, as the answer was filed that same day. We also deny petitioners' July 20, 2011, emergency motion for stay and for consolidation as moot in light of this order.
