ORDER DENYING PETITIONS

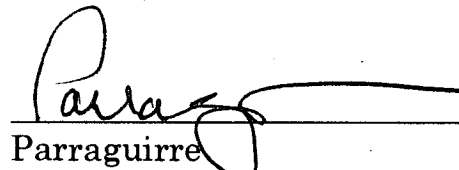

Docket No. 58876 is a proper person petition for a writ of prohibition in which petitioner seeks this court's pretrial review of his preliminary hearing, counsel's efficacy, the district court's alleged bias, and the jail's alleged impediments to his presenting a defense. He further seeks suspension of the district court proceedings pending the outcome of the requested review. Docket No. 58879 is a proper person petition for a writ of mandamus in which petitioner seeks to compel the district court to grant his pretrial petition for a writ of habeas corpus and to dismiss all charges. We have considered the petitions submitted in these matters,

and without deciding upon the merits of any claims raised therein, we are not satisfied that this court's intervention by way of extraordinary relief is warranted. NRS 34.160; NRS 34.170; NRS 34.320; NRS 34.330. Accordingly, we

ORDER the petitions DENIED.
