DEPUTY CLERK

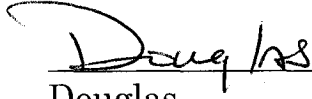

ORDER DISMISSING PETITION
FOR WRIT OF MANDAMUS OR PROHIBITION

This is a proper person petition for a writ of mandamus or prohibition challenging respondents' rejection of petitioner's filings on the ground that they did not comply with the Las Vegas Justice Court's requirement that all filings be submitted electronically. Respondents have filed an answer, explaining that, as of December 8, 2011, the electronic filing requirement has been rescinded for inmates. Accordingly, we conclude that this petition is moot, and we dismiss it. See Personhood Nevada v. Bristol, 126 Nev. ___, ___, 245 P.3d 572, 574 (2010) (explaining

that this court's duty is to decide actual controversies and not to give opinions on moot questions).

It is so ORDERED.¹

cc: Chris Hough
Clark County District Attorney/Civil Division, Robert J. Gower

¹We direct the clerk of this court to file petitioner's letter, provisionally received in this court on September 30, 2011; and motion to stay potential dismissal for failing to pay the filing fee, provisionally received in this court on September 30, 2011. Having considered these documents, we conclude that no action is necessary as to them.
