No. 60008

ORDER DISMISSING APPEAL (DOCKET NO. 59546)

These are appeals from an interlocutory district court order awarding attorney fees (Docket No. 59546) and from the final judgment (Docket No. 60008). Eighth Judicial District Court, Clark County; Kenneth C. Cory, Judge.

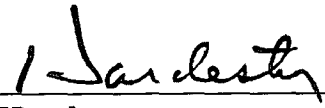

As appellants point out in their docketing statement, the appeal from the order awarding attorney fees in Docket No. 59546 was premature, as the district court had not yet entered the final judgment at

the time the notice of appeal was filed. Although the district court entered the final judgment before that appeal was dismissed, a separate appeal was taken from that judgment, in Docket No. 60008. Accordingly, we dismiss the appeal in Docket No. 59546; any issues with regard to the attorney fees order may be raised in the context of the appeal from the final judgment. Consolidated Generator v. Cummins Engine, 114 Nev. 1304, 1312, 971 P.2d 1251, 1256 (1998).

It is so ORDERED.
