ORDER DISMISSING APPEALS

The parties have filed a stipulation to dismiss these appeals, which we approve. Accordingly, these appeals are hereby dismissed with the parties to bear their own costs and fees. NRAP 42(b).

It is so ORDERED.¹

 , C.J.

¹Although the parties have requested that this court remand these matters to the district court so that the challenged judgments can be vacated pursuant to the settlement agreement, we deny that request. Upon the dismissal of these appeals on the parties' stipulation, jurisdiction over the underlying case automatically returns to the district court, rendering a remand unnecessary.
