DEPUTY CLERK

ORDER DISMISSING APPEAL

This is an appeal from an amended judgment of conviction, pursuant to two counts of lewdness with a child under the age of 14, one count of attempted sexual assault with a minor under the age of 14, two counts of sexual assault with a minor under the age of 14, one count of sexual assault with a minor under the age of 16, and two counts of open or gross lewdness. Eighth Judicial District Court, Clark County; Valerie Adair, Judge.

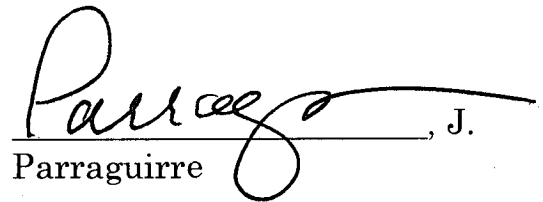

Our initial review of this appeal revealed a potential jurisdictional defect. Specifically, appellant appeals from an amended judgment of conviction which grants appellant the relief he requested, i.e., dismissal of count nine. See NRS 177.015 (only an aggrieved party may appeal). Accordingly, on December 9, 2011, this court ordered appellant's counsel to show cause why this appeal should not be dismissed for lack of

jurisdiction. To date, appellant's counsel has failed to respond to the order to show cause. Therefore we

ORDER this appeal DISMISSED.
