ORDER DISMISSING APPEAL

This is an appeal from a purported district court order denying a “petition for a writ of mandamus.” Eighth Judicial District Court, Clark County; Michelle Leavitt, Judge. Because it appeared that no such order had been filed in the district court, we ordered appellant to show cause why this appeal should not be dismissed. In response, appellant’s counsel informs this court that he designated the “petition for a writ of mandamus” in error and that he intended to appeal from an order revoking appellant’s probation. Appellant has filed a corrected notice of appeal, in which he appeals from the order revoking his probation, and that appeal has been docketed in this court under a different docket number. We conclude that we lack jurisdiction over this appeal, and we

ORDER this appeal DISMISSED.
