ORDER DISMISSING APPEAL

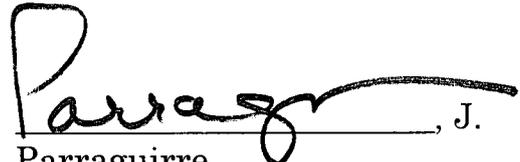

This is an appeal “in a criminal matter.” Eighth Judicial District Court, Clark County; Carolyn Ellsworth, Judge. The notice of appeal does not designate the judgment or order being appealed. See NRAP 3(c)(1)(B). To the extent appellant is attempting to appeal from the “Findings of Incompetency and Order for Civil Commitment or Release” filed in the district court on December 23, 2011, we lack jurisdiction because no statute or court rule authorizes such an appeal, see Castillo v. State, 106 Nev. 349, 352, 792 P.2d 1133, 1135, (1990). Further, it appears that appellant is not aggrieved by the order because the criminal charges against appellant in this matter were dismissed pursuant to NRS

178.425(5). See NRS 177.015. Therefore, we

ORDER this appeal DISMISSED.¹

¹We grant Craig W. Drummond's motion to withdraw as counsel. We note that Mr. Drummond has indicated that the Clark County Public Defender has been appointed to represent appellant for the purposes of civil commitment proceedings. Any challenges to those proceedings must be raised as a separate matter.

In light of this order no action will be taken on the proper person documents submitted in this appeal.
