ORDER DISMISSING APPEAL

This is an appeal from a district court order denying a motion to compel discovery and production of potentially exculpatory evidence pursuant to Brady v. Maryland, 373 U.S. 83 (1963). Eighth Judicial District Court, Clark County; Valerie Adair, Judge. Because it appeared that no statute or court rule provided for an appeal from the district court's order, we directed appellant to show cause why this appeal should not be dismissed for lack of jurisdiction. In response, appellant indicated that the wrong order was designated in the notice of appeal. Appellant has filed a new notice of appeal, designating an appeal order, which has been docketed in this court as No. 60170. Because the order designated in the notice of appeal in this case is not appealable, we lack jurisdiction, Castillo v. State, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990), and therefore we

ORDER this appeal DISMISSED.
